The stock exchange is trying to look good by disciplining the men who juggled Rock Island stock 30 points. It would be more useful to convince the little woolly lamb to stay in his secluded pas ture until he grows horns and hoofs.

The House of Representatives room at Washington is to be made smaller. If it has at last dawned on the congressmen that It is worth while to hear each other talk, the House may become a deliberate body again.

The district attorney of New York finds much evidence of the white slave traffic. There plenty of men who would just as soon make money by buying and selling souls as by trading cotton and pork.

Dr. Felix Adler says the ministers are deteriorating. As the old timers used to preach three hours at a stretch, we should view with alarm a proposal to return to those athletic times.

tion is proving an unexpectedly lively market for war paint, and the tomahawk has been very thoroughly excavated. Uncle Joe Cannon seems to have missed a golden opportunity to
